Read Jude 1-2

Who is Jude?

- Jude writes a letter with one chapter and twenty five verses.
- Jude is first a \_\_\_\_\_ of Jesus and then a \_\_\_\_\_ to James.
- This order of identification deeply matters.

Just as the order of his identity matters, so does the order of the identity of his audience.

Read Jude Verse 3-16

Jude Brings \_\_\_\_\_.

The NIV Bible categories this section of Jude's Letter as The Sin and Doom of UnGodly People.

There is a tension in this text, that often causes us not to read it, study it, learn from it, because there are parts of it that we find we are connected to ourselves.

We fear that if we connect to it in any way then it makes it all about us, and we lose all hope.

There is a difference in our lives of \_\_\_\_\_ that we struggle with and \_\_\_\_\_.

Jude calls these men

- Ungodly
- \_\_\_\_\_
- Enemies of God's Grace
- \_\_\_\_\_ of God's Truth

When the enemy is in the field, the watchman dare not go to sleep - Warren Wiersbe

***Break and Questions Round 2***

Read Jude 17 - 23

James began his book with a call to persevere in suffering, and Jude will end his book with a call to \_\_\_\_\_.

Jude Teaches Us To

- \_\_\_\_\_ God's Word
- Build Your \_\_\_\_\_
- Exercise \_\_\_\_\_ Discernment

The key difference for the men who Jude speaks against, and the men Jude calls the followers to be is a dependency upon the Holy Spirit.

A life lived \_\_\_\_\_ and \_\_\_\_\_ to the Holy Spirit will be a life that becomes \_\_\_\_\_ like Christ.

Read Jude 24 - 25

*"Be a \_\_\_\_\_ in a garden, not a \_\_\_\_\_ in a war." - Joe Rogan*

In this doxology of Jude, we learn that all of our life is lived unto Christ.

It's Christ who

- keeps you from \_\_\_\_\_
- Presents you, before God, \_\_\_\_\_.
- Does all of it with \_\_\_\_\_.

Take Courage Men, That In The \_\_\_\_\_ of Christ, By The \_\_\_\_\_ of Holy Spirit, and The \_\_\_\_\_ of The Father, We Can \_\_\_\_\_.
